Hiring CDL Drivers

Riverside Contracting is looking to hire well-qualified truck drivers to work on our jobs in Montana, Wyoming, and Idaho.

To work as a driver for Riverside Contracting, you must be willing to travel (sometimes for long periods of time). Employees are responsible for their own lodging. We recommend that you travel with a camper/motorhome for housing on jobs outside of your resident city. Riverside usually provides camper/motorhome parking on site or in one of our gravel pit areas whenever they are available.

Riverside Contracting, Inc. offers equal employment opportunities to all individuals along with a very competitive wage rate and benefits package including: health insurance, pension and optional 401K retirement plan.
