IMPORTANT INFORMATION:

\*The elective deferral is effective 5 business days after completing this form and submitting it to your Employer, unless you select a later period above. You can change your elective deferral by completing a new election form.

The amount of your elective deferral is subject to an annual dollar limitation that is adjusted by a cost of living index. Contact your Employer for the amount of the annual dollar limitation in effect in any given year. If you participate in more than one 401(k) plan, you must notify MCA Trusts by February 1 if you exceed the limitation so that the excess can be distributed to you from this plan. If you are only in this plan and you exceed the limit, the excess will be distributed to you from this plan.

For highly compensated participants, your elective deferrals must meet certain tests and if you do not pass the tests, the excess over the amount allowed by the tests will be distributed to you from this plan.

If you are age 50 or older, you can make catch up contributions in addition to the maximum elective deferral. The amount of the catch up contribution is also subject to an annual dollar limitation that is adjusted by a cost of living index. Contact your Employer for the amount of the catch up annual dollar limitation in effect in any given year.

THIS IS AN OVERVIEW OF PLAN PROVISIONS. PLEASE REFER TO YOUR 401(k) SUMMARY PLAN DESCRIPTION AND/OR THE PLAN FOR COMPLETE INFORMATION. ANY QUESTIONS REGARDING THIS ELECTIVE DEFERRAL SHOULD BE DIRECTED TO THE MCA TRUSTS OFFICE.
