

Oiler/Lube Tech | Riverside Contracting, Inc.

About us

Riverside Contracting, Inc. is one of the largest highway construction companies that performs work in the Northwestern states, primarily Montana and Wyoming, and sometimes Idaho. Our focus is on State and Federally funded complete road construction contracts. We specialize in and have the workforce and equipment to

perform aggregate crushing, excavation, embankment, surveying, grading, culverts/storm drains, retaining walls, asphalt production and laydown, slurry seal, chip seal, and reclamation and revegetation.

About the role

Our construction season runs approximately April-November, during this time our crews work hard to complete road construction projects throughout the states before winter sets in. This position would provide crucial fueling and oil changing maintenance for our equipment to reduce breakdowns and maintain job production. Oilers ensure equipment is serviced and ready-to-go for our drivers and operators across all our projects.

This position is full-time and seasonal.

Position starts: Spring 2025

Location & commitments

Extensive travel is expected as jobs are often in remote locations. Employees are generally responsible for their own travel expenses, but, whenever possible, we do offer dry camping in gravel pits near jobsites to reduce the cost of living and working on the road.

Responsibilities

- Fuel all equipment on assigned project.
- Service and lube all equipment as necessary.
- Keep accurate and detailed records of fuel dispensed.
- Monitor and order bulk fuel for delivery to the project.
- Work with project mechanic when needed.
- Any other duties as assigned by supervisor.

Candidate requirements

- Minimum Class B CDL with Tanker and Hazmat Endorsements.
- Class A CDL w/Tanker, Hazmat, Dlb/Tr endorsements preferred.
- Knowledge of truck and equipment maintenance.
- Hands on experience in truck and equipment maintenance preferred.
- Acceptable driving record.
- MUST complete pre-employment drug test before employment.

Wage & benefits

Employees for this position will be paid Group 2 Operator rates on the Davis Bacon wage scale (varies; approx. **\$33.55-34.55 per hour** currently). This position will receive \$6.00 hourly per diem while working on active job sites; per diem is not paid for time mobilizing or performing work at home base (Arlee/Billings shops or nearby pits). All employees also receive company-paid family health insurance and retirement benefits.
